Our Approach

Optegra UK provide high quality solutions for eye conditions at nationwide locations in the UK. Optegra UK does not tolerate modern slavery or human trafficking within its business operations and takes a risk-based approach regarding its supply chain. Given the professional and regulated nature of our business, and the fact that we do not have intricate supply chains or obtain material services from external businesses located in high risk countries, we have a low-risk of modern slavery or human trafficking within our business operations and supply chain.
